

Ultimate Fixed Cleanable Security Window Screen

Hinged design opens with keys for a secure opening and easy cleaning

Ultimate Security

Meshtec Advanced Screen System for security-grade strength, exceeding stringent cut, impact, and pry resistance standards

UV Protection

Helps cut UV transmission, which contributes to fading in flooring, furniture, and textiles over time

Operable Locks

Lock and key operation that combines safety and security in one product

Hinged Design

Convenient hinges provide easy access for cleaning of screen and frame

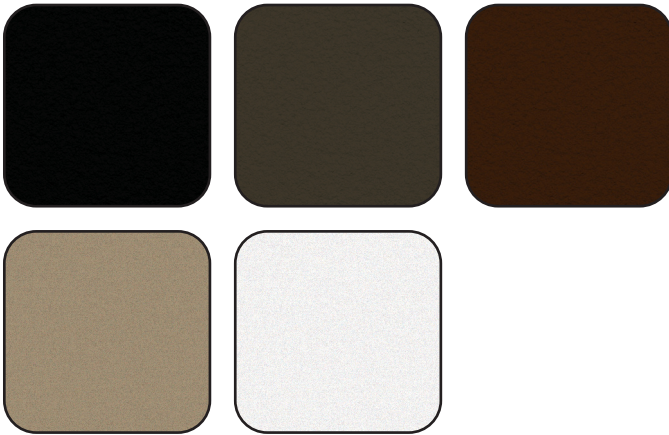

Ultimate Fixed Cleanable Security Window Screen

Additional Benefits

- **Ultimate Security:** Compliant with the AAMA 1901 standards
- **Full View:** Eliminates the need for security bars and panels
- **Fire resistant:** Resists flying embers and sparks

SIZE OPTIONS:

Custom Width: 22" to 74"

Custom Height: 22" to 74"

Stronger Screens, Safer Homes.

Our Ultimate security screen doors are designed to do more than just look tough — they've been built and tested to meet or exceed the most advanced security screen specification in North America: AAMA 1901-25.

This isn't just security you can see — it's peace of mind you can feel.
