

New Ultimate Security Product Expansion

We're proud to introduce Titan's new and improved Ultimate Security window and patio products. This complete lineup of window and entryway solutions combines industry-leading safety and security with the timeless elegance and reliability Titan is known for.

Patio Security Screen Door (X only)

Security-grade protection to your patio without blocking the view

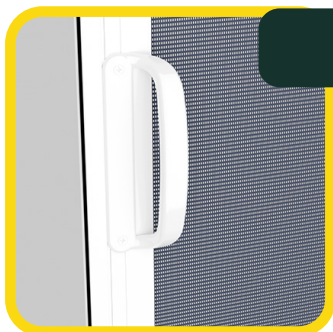

Full View Design

Sleek, clean design for uninterrupted view and maximized airflow without sacrificing security

Improved Wheels

Stainless steel wheels and cast aluminum adjustment block for durable, easy installation

New Handle

Ergonomic architectural handle design for more comfortable use and contemporary style

Meshtec Screen

Meshtec Advanced Screen System for security-grade strength, exceeding stringent cut, impact, and pry resistance standards

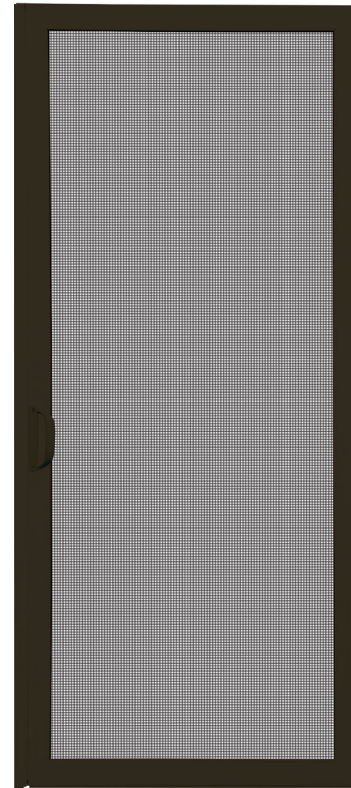

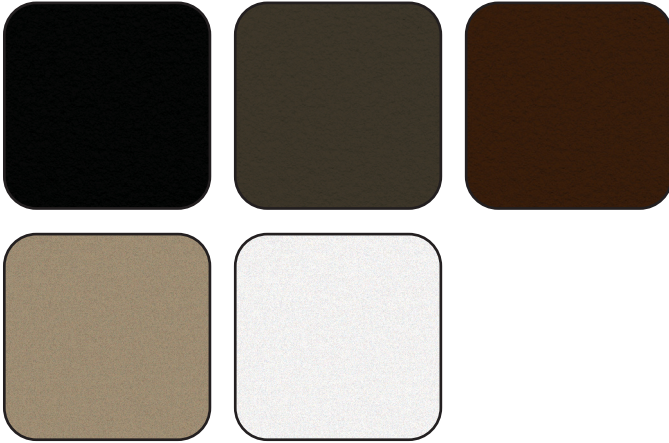

Patio Security Screen Door (X only)

Additional Benefits

- **Ultimate Security:** Compliant with the AAMA 1901 standards
- **Fire resistant:** Resists flying embers and sparks
- **Pet Resistant:** Keeps pets safe and resists paws and claws
- **UV Protection:** Blocks 60% of UV rays
- **Ventilation & Insect Control:** Maximizes air flow and insect protection

AVAILABLE COLORS

SIZE OPTIONS:

Custom Width: 23" to 60"

Custom Height: 50" to 100"

Stronger Screens, Safer Homes.

Our Ultimate security screen doors are designed to do more than just look tough — they've been built and tested to meet or exceed the most advanced security screen specification in North America: AAMA 1901-25.

This isn't just security you can see — it's peace of mind you can feel.

Meshtec' is the registered Trade Mark of Meshtec International Co., Ltd. ('MTC') in the United States and other various worldwide jurisdictions (including registrations pending) and may not be used without the prior written consent of MTC.
